debtors in possession (the “Debtors”), for the period commencing March 1, 2023 through and including June 30, 2023 (the “Compensation Period”), respectfully represents:

Preliminary Statement

1. Stout serves as valuation advisor in these chapter 11 cases before the United States Bankruptcy Court for the Southern District of New York (the “Bankruptcy Court”). During the Compensation Period, Stout provided valuation services related to the Debtors’ illiquid crypto, their investment portfolio, retail loans, and associated contingent liabilities.

2. Stout’s efforts to advise and assist the Debtors during the Compensation Period were necessary and of substantial benefit to the administration of the chapter 11 estates. The professional services provided were actual and necessary to preserve and protect the value of the Debtors’ assets for the benefit of all parties in interest. In consideration of the nature of these cases, Stout’s charges for professional services performed are reasonable under the applicable standards. Stout respectfully requests that the Bankruptcy Court grant the Application and allow interim compensation for professional services performed as requested.

3. This Application has been prepared in accordance with the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, the *First Amended Order (I) Establishing Procedures for Interim Compensation and Reimbursement of Expenses for Retained Professionals and (II) Granting Related Relief* [Docket No. 1745] (the “Amended Interim Compensation Order”), the *Amended Guidelines for Fees and Disbursements for Professionals in Southern District of New York Bankruptcy Cases pursuant to Local Rules 2016-1(a)* (as updated June 17, 2013) (the “Local Guidelines”), and the U.S. Trustee Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed under 11 U.S.C. 330 by Attorneys in Larger Chapter 11 Cases,

Effective November 1, 2013 (the “UST Guidelines,” and, together with the Local Guidelines, the “Fee Guidelines”).

Jurisdiction and Venue

4. The United States Bankruptcy Court for the Southern District of New York (the “Court”) has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference* from the United States District Court for the Southern District of New York, entered February 1, 2012. The Debtors confirm their consent to the Court entering a final order in connection with this Application to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgements in connection herewith consistent with Article III of the United States Constitution.

5. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

6. The statutory bases for the relief requested herein are sections 327(a) and 328(a) of title 11 of the United States Code (the “Bankruptcy Code”), the rules 2014(a) and 2016(a) of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and rule 2014-1 and 2016-1 of the Local Bankruptcy Rules for the Southern District of New York (the “Local Rules”).

Background

7. The Debtors, together with their non-Debtor affiliates (collectively, “Celsius”), are one of the largest and most sophisticated cryptocurrency based finance platforms in the world and provide financial services to institutional, corporate, and retail clients across more than 100 countries. Celsius was created in 2017 to be one of the first cryptocurrency platforms to which users could transfer their crypto assets and (a) earn rewards on crypto assets and/or (b) take loans using those transferred crypto assets as collateral. Headquartered in Hoboken, New Jersey, Celsius

has more than 1.7 million registered users and approximately 300,000 active users with account balances greater than \$100.

8. On July 13, 2022 (the “Petition Date”), each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. A detailed description of the facts and circumstances of these chapter 11 cases is set forth in the *Declaration of Robert Campagna, Managing Director of Alvarez & Marsal North America, LLC, in Support of Chapter 11 Petitions and First Day Motions* [Docket No. 22] (the “Campagna Declaration”). The Debtors commenced these chapter 11 cases to provide Celsius an opportunity to stabilize its business and consummate a comprehensive restructuring transaction that maximizes value for stakeholders.

9. The Debtors are operating their business and managing their property as debtors in possession pursuant to section 1107(a) and 1108 of the Bankruptcy Code. These chapter 11 cases have been consolidated for procedural purposes only and are jointly administered pursuant to Bankruptcy Rule 1015(b) [Docket No. 53 and 1648]. On July 27, 2022, the U.S. Trustee appointed an official committee of unsecured creditors [Docket No. 241] (the “Committee”). On September 14, 2022, the Court entered an order directing the appointment of an examiner [Docket No. 820].

10. On October 20, 2022, the Court entered the *Order Appointing Independent Fee Examiner and Establishing Related Procedures for the Review of Fee Applications of Retained Professionals* [Docket No. 1151], appointing Judge Christopher Sontchi as the fee examiner in these cases (the “Fee Examiner”).

Case Status

11. Since the petition date, the Debtors and their advisors focused on stabilizing operations and developing a path towards emergence from chapter 11 via a value-maximizing transaction. During the Compensation Period, Stout continued its work program of preparing

preliminary valuations and revising valuations of certain of the Debtors' assets for the purpose of assisting the Debtors and their advisors as they develop a plan of reorganization and prepare a proposed disclosure statement.

The Debtors' Retention of Stout

12. By order, dated April 18, 2023 [Docket No. 2498] (the "Retention Order"), the Court approved the Debtors' application to employ Stout as valuation advisors [Docket No. 2335] (the "Retention Application"). The Retention Order authorizes the Debtors to compensate and reimburse Stout in accordance with the Bankruptcy Code, the Bankruptcy Rules, and the Fee Guidelines. The Retention Order also authorizes the Debtor to compensate Stout at its customary hourly rates for services rendered and to reimburse Stout for its actual and necessary expenses incurred, subject to application to this Court.

Summary of Professional Compensation Requested

13. Stout seeks allowance of interim compensation for professional services performed during the Compensation Period in the amount of \$739,805.00. During the Compensation Period, Stout professionals expended a total of 1,399.80 hours in conjunction with the necessary services performed.

14. There is no agreement or understanding between Stout and any other person, other than members of the firm, for the sharing of compensation to be received for services rendered in these cases. During the Compensation Period, Stout received a promise of payment of \$20,000 for services rendered or to be rendered in any capacity whatsoever in conjunction with the matters covered by this Application (other than the Debtors in accordance with the Interim Compensation Order). Since the Petition Date, Stout has received no payment of fees pursuant to the Interim Compensation Order.

15. The fees charged by Stout in this case are billed in accordance with Stout's existing billing rates and procedures in effect during the Compensation Period. The rates Stout charges for the services rendered by its professionals in these chapter 11 cases generally are the same rates Stout charges for professional services rendered in comparable bankruptcy and non-bankruptcy related matters. Such fees are reasonable and based on the customary compensation charged by comparable skilled practitioners in comparable bankruptcy and non-bankruptcy cases in a competitive national restructuring market.

16. Stout regularly reviews its invoices to ensure that the Debtors are only billed for actual and necessary services.

17. Annexed hereto as Exhibit A is a certification regarding compliance with the Fee Guidelines.

18. Attached hereto as Exhibit B is a summary of services performed by Stout during the Compensation Period broken down by task category, the aggregate number of hours for each category and compensation incurred for each category.

19. Attached hereto as Exhibit C is a summary schedule of Stout professionals who have performed services for the Debtors during the Compensation Period, the capacities in which each professional is employed by Stout, the hourly rate charged by Stout for services performed by such individuals, and the aggregate number of hours expended in this matter and fees billed therefor. Also, attached as Exhibit D is a summary schedule of time incurred by staff by task during the Compensation Period.

20. Attached hereto as Exhibit E is Stout's detailed daily time records itemized by task category for the Compensation Period using project categories hereinafter described. Stout maintains computerized records of the time spent by Stout professionals in conjunction with

prosecution of these chapter 11 cases. Copies of these computerized records (subject to redaction) have been filed on the docket with Stout's monthly fee statements, furnished to the Debtors, the Bankruptcy Court, counsel for the Creditors' Committee, the U.S. Trustee and the Fee Examiner in the format specified by the Fee Guidelines.

21. Stout reserves the right to request additional compensation for the Compensation Period to the extent that additional time or disbursement charges for services rendered or disbursements incurred related to the Compensation Period are identified.

Summary of Services by Stout During the Compensation Period

22. As described above, during the Compensation Period, Stout rendered a substantial amount of professional services to the Debtors, in an effort to efficiently and economically assist with the administration of the Debtors' chapter 11 cases and assist in the Debtors' ongoing operations.

d. Retention Applications and Disclosures

Fees: \$45,600; Total Hours: 85.80

27. This category includes preparing and distributing Stout's retention application and disclosures.

28. The foregoing professional services performed by Stout were necessary and appropriate to further the administration of the Debtors' chapter 11 cases. Stout has a preeminent valuation practice and enjoys a national reputation for its expertise in delivering valuation services to companies, including financially distressed companies.

The Requested Compensation Should be Allowed

32. Section 331 of the Bankruptcy Code provides for interim compensation of professionals and incorporates the substantive standards of section 330 to govern the Court's award of such compensation. 11 U.S.C. § 331. Section 330 provides that a Court may award a professional employed under section 327 of Bankruptcy Code "reasonable compensation for actual, necessary services rendered [and] reimbursement for actual, necessary expenses."

11 U.S.C. § 330(a)(1). Section 330 also sets forth the criteria for the award of such compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded to [a] professional person, the court shall consider the nature, the extent, and the value of such services, taking into account all relevant factors, including –

- (A) the time spent on such services;
- (B) the rates charged for such services;
- (C) whether the services were necessary to the administration of, or beneficial at the time which the service was rendered toward the completion of, a case under this title;
- (D) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;
- (E) with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and expertise in the bankruptcy field;
- (F) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

33. In the instant case, Stout submits that the services for which it seeks compensation and the expenditures for which it seeks reimbursement in this Application were necessary for and beneficial to the preservation and maximization of value of all stakeholders and to the orderly administration of the Debtors' chapter 11 estates. Such services were necessary to and in the best interests of Debtors' estates and creditors. The compensation requested herein is reasonable in consideration of the nature, extent, and value of such services to the Debtors, their estates, and all parties in interest.

34. Compensation for the foregoing services as requested is commensurate with the complexity, importance, and nature of the problems, issues, and tasks involved. The professional services were performed expediently and efficiently.

35. In sum, the services rendered by Stout were necessary and beneficial to the Debtors' estate and were consistently performed in a timely manner commensurate with the complexity, importance, and nature of the issues involved. Accordingly, approval of the compensation for professional services sought herein is warranted.
